AP Psychology Summer Assignment

Morah Levin

The summer work is designed to give you a jump start on the material and to get you organized in preparing for the AP exam. It must be submitted directly into OneNote or Macmillan on CANVAS, no later the first day of class. Remember, the AP exam will come whether you are prepared or not; our job together is to get you ready. If you have not already received an email with a link to the summer assignment, please send me an email **today** at mlevin@posnackschool.org.

The required text for this course is *MYERS PSYCHOLOGY FOR AP* (2nd edition), by David G. Myers. The ONLINE version is required; purchasing the hardcover textbook is optional. I will be assigning reading and work from the online textbook regularly. **YOU CAN ONLY COMPLETE THE SUMMER ASSIGNMENT WITH ONLINE ACCESS.**

I will be available via email all summer and I am happy to help. Please do not hesitate to email me for help.

Have an awesome summer! I look forward to seeing you in the fall.
