

Course 2

Summer Math Assignments

Students should sign in to www.ixl.com/signin/posnack, choose the option to “search topics and skills” at the top left corner of the screen and copy and paste the **3 DIGIT CODE** found in the parentheses below. Be sure you click on the topic and skill that matches the description below.

All students are required to complete at least 5 of the IXL skills listed below, earning a score of 85% or higher. Please contact the Hochberg Middle School office if you have difficulty signing in to the IXL website.
