FROM THE DIRECTOR OF ATHLETICS WAYNE STOFSKY

As we roll into February, 19 of the 37 teams we have on campus have finished their seasons. The first half of the winter season has ended, and we are proud to reflect on the incredible achievements and hard work displayed by our student athletes across all sports. This season has been one of growth, perseverance, and outstanding performances. From the first whistle of the season to the final play, our athletes have shown tremendous commitment and passion in every competition. Whether it was the thrilling victories on the field or in the gym, or the hard work on the court leading up to the tennis season, our teams have trained tirelessly to improve and compete at their highest level.
